Kitchen:

Please note the fee does not cover the food during your stay in this accommodation. Volunteers need to buy their own food and mark it. Some food left by previous volunteers is marked as common food, in which case you are free to use it.

Beds:

There are two dorm-rooms with 4 beds each (4 bunk-beds). Please keep your luggage downstairs on the metal shelves. This is important both for the cleaning and so beds are free for late arrivals.

Check-in time is 15:00 hrs (3:00 pm) and the Check-out time is 12:00 pm (12:00 noon/midday). This means you will be asked to take all your belongings from the room and take off the sheet from the bed you slept in and put it in the "Used Sheets" box.

Valuables:

SEEDS Accommodation does not have a safety deposit. It is a safe place but many people are coming and going in the accommodation and you share the room with other volunteers.

Please note that SEEDS does not take any responsibility for loss or theft of personal belongings.

We would recommend a luggage lock so you can leave it safely during your stay.

Code for the Masterlock:

Please note the code for the Masterlock (access to the accommodation) changes every week for safety reasons. When booking your nights you receive the code of the Masterlock that will be active on the day of your arrival so you can enter the house at any time. The code for the Masterlock is displayed in the entrance to inform you of any change of code during your stay. Please do not share the code with any person that is not staying in SEEDS accommodation.

If any problem ...

Please don't hesitate to contact SEEDS office if you have any questions or concerns during your stay in the accommodation. The accommodation manager in charge of Hverfisgata 92b is not present in the house at all times as her/his position also includes other tasks.
